

PSAMMONALIA

Newsletter of the International Association of Meiobenthologists

NUMBER 62

NOVEMBER 1983

Newsletter of the International Association of Meiobenthologists

CARLO HEIP

Editor

RUDY HERMAN

Assistant-Editor

Marine Biology Section
Zoology Institute
State University of Gent
Ledeganckstraat 35
B-9000 Gent, Belgium

INTERNATIONAL ASSOCIATION OF MEIOBENTHOLOGISTS

Executive Committee

Chairperson

CARLO HEIP

Marine Biology Section, Zoology Institute, State University of Gent, B-9000 Gent, Belgium

Treasurer

MAGDA VINCX

Marine Biology Section, Zoology Institute, State University of Gent, B-9000 Gent, Belgium

Committee Members

PHILIPPE BODIN

Laboratoire d'Océanographie Biologique, Université de Bretagne Occidentale, F-29283 Brest, France

CHRISTER ERSEUS

Department of Zoology, University of Göteborg, Fack, S-4000 33 Göteborg, Sweden

ROBERT P. HIGGINS

Department of Invertebrate Zoology, National Museum of Natural History, Washington DC 20560, USA

RICHARD WARWICK

Institute for Marine Environmental Research, Prospect Place, The Hoe, Plymouth PL1 3DH, England

WOLFGANG STERRER

Bermuda Biological Station for Research, St. George's West, Bermuda

Board of Correspondents

SUSAN S. BELL

Department of Biology, University of South Florida, Tampa, FL 33620, USA

GUY BOUCHER

Station Biologique, F-29211 Roscoff, France

BRUCE C. COULL

Belle E. Baruch Institute for Marine Biology and Coastal Research, University of South Carolina, Columbia, SC 29208, USA

W. DUANE HOPE

National Museum of Natural History, Department of Invertebrate Zoology, Washington DC 20560, USA

TATSUNORI ITO

Seto Marine Biological Laboratory, Sirahama, Wakayama-Ken, Japan 649-22.

ANTON McLACHLAN

Department of Zoology, University of Port Elizabeth, P.O. Box 1600, Port Elizabeth 6000, Republic of South Africa

TERESA RADZIEJEWSKA

Institute of Fisheries Oceanography, Ul.Kazimierza Krolewicza 4, 71-550 Szczecin, Poland

REINHARD RIEGER

II. Zoologisches Institut und Museum der Universität, Berliner Strasse 28, D-34 Göttingen, FRG

FRANZ RIEMANN

Institut für Meeresforschung, Am Handelshafen 12, D-285 Bremerhaven-1, Germany (FRG)

BEATE SOPOTT-EHLERS

II. Zoologisches Institut und Museum der Universität, Berliner Strasse 28, D-34 Göttingen, FRG

Membership in the Association is open to anyone who wishes to join. There are no prerequisites. Annual dues of 4 US dollar, payable in belgian francs (appr. 200 BF), include subscription to Psammonalia. Payment for one year in advance is acceptable. Payment should be made to THE INTERNATIONAL ASSOCIATION OF MEIOBENTHOLOGISTS by international money order or draft in belgian francs on A.S.L.K., Normaalschoolstraat 16, B-9000 Gent, Belgium, account nr. 001-1189354-16.

PSAMMONALIA is issued quarterly in February, May, August and November.

This document is not part of the scientific literature and is not to be cited, abstracted or reprinted as a published document.

A famous New Zealand scientist
had field studies on his research list
from this low point of view
his discoveries, totally new
made him a new wave copepodologist

HEY KIDS,
THERE HE'S AGAIN!
ARE YOU READY
BOB and BRUCE?

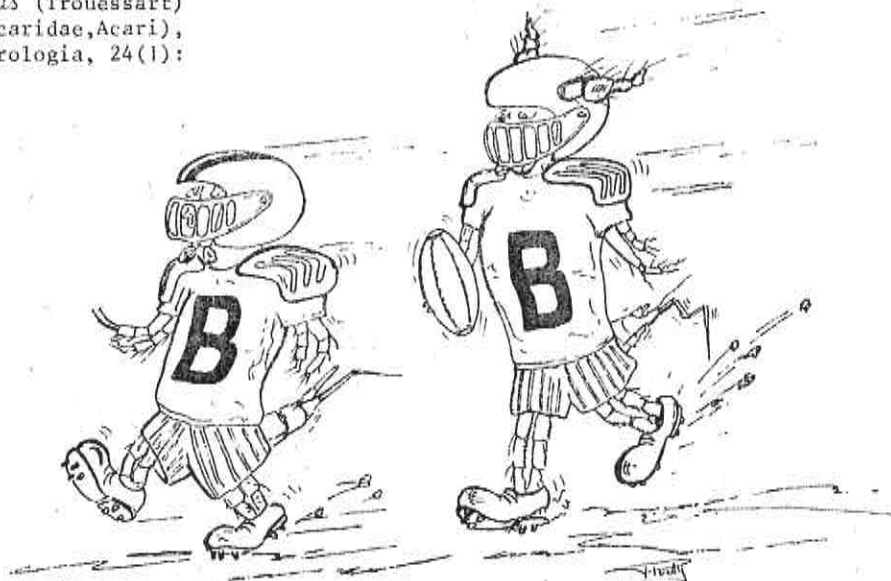

FIFTH INTERNATIONAL BIOFAUNA CONFERENCE

CENT 16/8-21/8
